Description

Just a fifteen minute walk from the beach and even less to the local shops and hangouts, this 2 double bed ground floor flat has its own private entrance. Through the door, you had into the kitchen – if you're lucky enough to buy the property; white goods are included, big bonus for you first time buyers. The lounge / diner is a great size and is set out perfectly with the dining table sat in the bay window.

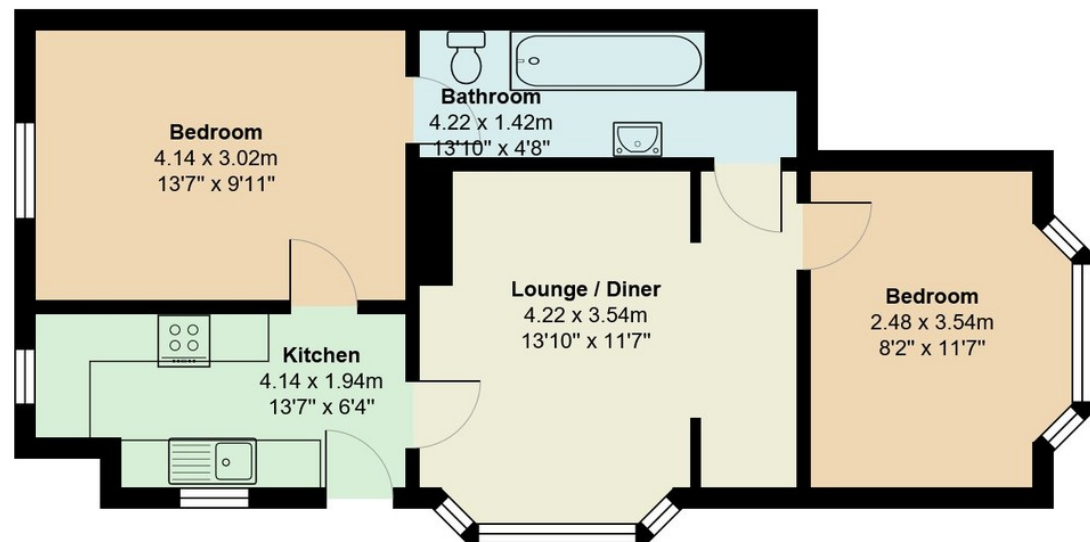

Both bedrooms are big bright doubles. The Jack and Jill bathroom allows easy access from the lounge and the master bedroom. If that's not a set up for you, it could easily be re-configured to have a walk-in shower at one end.

The garden is a great open space with loads of potential. The perfect place to dream in those summer afternoons.

Don't miss out on the opportunity to view this amazing property.
