Grab this fantastic chance to acquire this very well presented and recently updated bungalow in this very central position within this quiet cul-de-sac. Location wise this home could not be better situated, moments away you will find an array of shops, post office, doctors surgery and local bank and not forgetting bus routes to Brighton and beyond. Furthermore the Meridian shopping centre, local schools, cliff top walks are just a little further away. You are welcomed into this property via the covered loggia into a large entrance hall which is light and bright and from here all rooms can be accessed alongside storage options. The spacious lounge/dining room is found to the front of the property and this features a large window drawing in the light from the morning sun. You will also find plenty of space for all of your soft furnishings and associated furniture as well as a dining table and chairs. Preparing your evening meal will be a joy in the well equipped kitchen which is fitted with a range of quality matching cupboards and drawers complimented by work surfaces, fitted appliances and further appliance space too. Both double bedrooms are generous in size and benefit from built in wardrobes alongside a favourable westerly aspect. These are accompanied by a large and modern shower room which consists of a glazed shower cubicle alongside a contemporary sink and contrasting tiling. Furthermore there is very handy separate wc. Externally the covered veranda is the perfect vantage point to view the secluded west facing rear garden which consists of a paved patio, level lawn and also includes a timber summer house. The sunny garden is large enough for both adults and children to enjoy. Moving to the front of the property, private parking is offered too by way of a private drive which leads to the integral garage. This has been internally boarded out to create a gym/utility room but of course can easily be reverted back to its original form.
