LOCATION

Deal is a town situated in Kent, which lies on the English Channel, eight miles north-east of Dover and eight miles south of Ramsgate. This former fishing and mining town became a 'limb port' of the Cinque Ports in 1278 and grew into the busiest port in England. In 1968, "Middle Street" was the first Conservation Area in Kent, its quaint streets and houses a reminder of its history along with many ancient buildings and monuments including, most notably, Deal and Walmer Castles . Today it is a seaside resort with its award-winning High Street, high-speed train Links to St Pancras and independent shops. An array of cafes and pubs sit along the picturesque seafront that is home to a sweeping pier.
