Absolutely smashing three bedroom apartment set in an enviable position close to Darlington Town centre. This small gated development offers a great sense of security and privacy yet still offers easy access to leisure amenities, shops, boutiques, restaurants, bars and nightlife. South Park is also just steps away from the front door and its leafy green presence can be felt from the apartment. The apartment has just been refreshed throughout and has contemporary style without losing its sense of comfortable, homely, charm. Set to the top floor and comprises a lovely welcoming hallway with a large storage cupboard - often lacking in modern properties! The generous lounge has an amazing deep bay window which could easily serve as a window seat, new light flooring and double aspect windows. The kitchen leading off the lounge has been newly installed and is a contemporary high gloss finish with inbuilt oven hob and extractor as well as a washing machine and fridge/freezer. Externally the grounds are immaculate and there is a single garage and communal parking.
This is a fantastic package of location and accommodation of the highest standard.
