Situated on the top floor of an imposing period building only a moments walk to the Piazza, this beautifully presented 4th floor apartment is fully furnished to a high standard and features a grand living space with generous ceiling heights, large sash windows, and a modern semi-open-plan kitchen. Both bedrooms feature generous storage.

King Street is one of Covent Garden's most sought after addresses, being one of the part-pedestrianised streets that serve the Piazza. The ongoing transformation in recent years sees the street lined with several fashion boutiques, luxury retailers and world class eateries.

There are a number of transport options – Covent Garden (Piccadilly Line), Leicester Square (Piccadilly & Northern lines), Charing Cross (main line train, Northern & Bakerloo lines).

The Covent Garden Estate, one of London's most vibrant, historic and globally recognised destinations, has been recently reshaped to create a safer neighbourhood and secure environment for those looking to make it their home.

A number of streets have been pedestrianised significantly reducing traffic throughout the day, allowing residents to enjoy the majority of Covent Garden in a peaceful, safe manner.

Apartments on the Covent Garden Estate benefit from quality and well considered design, from finishes to furnishing, all backed up by a team of dedicated property managers, support staff and the estate security & facilities teams. Every building is cleaned and maintained to the highest possible standards, ensuring residential tenants get the best possible living experience from their central London home.

People Make Places

London is collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
