The entrance to the duplex is on the second floor, walk-up, and leads into the open-plan living and kitchen space. Internal stairs lead up to the bedroom on the third floor which features vaulted ceilings, an ensuite shower room and useful storage. Secondary glazing is fitted for tenant comfort.

Carnaby Street is a magnet for global and independent retail and restaurant brands, meaning residences are never short on places to shop or dine. Its location in the West End means many central London neighbourhoods like Mayfair, St James's, Marylebone, Fitzrovia, Soho and Covent Garden are within walking distance while several commuting options are also within reach. City workers can align at the Central Line at Oxford Circus

People Make Places

London is a collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
