Atkins Residential are extremely proud to present this beautiful spacious ensuite room within this recently renovated house share.

The room is available NOW and will be offered on a first come first served basis - so don't delay.

The property is a very large traditional detached house with bags of space for everyone. There is a shared kitchen and living area which is shared between just 2 other professional housemates.

The property is located in a perfect spot for access to the nearby hospital and also has great access to public transport links. There is a private car park to the rear of the property. The house is perfectly situated for access to the town centre but also offers a friendly neighbourhood feel.
