The sitting room has a charming fireplace with inset wood burning stove, attractive exposed wood floorboards and a stunning bay with stained glass transom and French doors which lead to a raised terrace area. The dual aspect kitchen/dining room is a light and open room which provides a blend of contemporary units and large traditional full-height storage which runs the length of one wall. There is an Aga range oven with stylish tiled splash back, a range of appliances and access to the rear. A spacious first floor landing area leads to 4 double bedrooms, a shower room and refitted family bathroom suite. The versatile second floor provides a bright and generous landing/study area, bathroom and three further double bedrooms. Bedroom 5 measures an impressive 19'9 x 14'4 and would also make a fantastic sitting room. Outside, there is a gravelled area to the front of the property which provides parking for two cars and leads to a useful secure storage area.
