About this property.....

If you are looking for a high end, spacious top floor apartment walking distance to a train station that offers direct services to London, then look no further. This beautifully presented property is just 700m from the station and 900m from the village green, with its range of independent shops and restaurants. The station offers journey times around 1hr 15mins to Victoria and Blackfriars. The block is serviced by a lift, so being on the top floor doesn't mean lugging shopping up lots of stairs. The open plan layout of the living-dining and kitchen areas gives the property a really modern feel and would be great for entertaining. The spec and finish is great, with underfloor heating throughout, granite tops in the kitchen and even power and light in the garage, it seems no expense was spared when these were built in 2008. In addition to the larger than usual garage there is a driveway for 1 car directly in front of it, so parking should not be a problem.
