Available at the beginning of December 2020, this smart and stylish one bedroom ground floor flat has its very own private patio garden. The flat occupies the entire ground floor of this well maintained period building, ideally placed close to local schools and shops in the popular district of Preston Park. The internal accommodation is considered to be well presented and benefits from neutrally coloured carpets creating a bright and airy living environment. We were impressed by the bay fronted lounge and the spacious kitchen which can accommodate a breakfast table. The bedroom is a good size double and the accommodation is complemented by a modern fitted shower room. Gas fired central heating and double glazed windows are in situ. Early internal viewing is highly recommended.

This delightful flat is set opposite Preston Park with its wide open space. Local amenities such as a Sainsburys Local and Preston Park railway station are within easy walking distance along with access to all other travel networks in and out of the city.
