HELP-TO-BUY

The Government backed scheme that is open to both first time buyers and current home movers (until March 2021), and means you'll only need a 5% deposit to buy your new home.

With Help to Buy, the Government will lend you up to 20% of the value of your new build home via an equity loan, which is interest free for the first 5 years of living in your home. You will then need to secure up to a 75% mortgage (from a bank or other lender) and put down a 5% deposit. You'll own 100% of your home from day one.

Find out more about how the Help to Buy scheme works please contact our New Homes team.

NEW BUILD SPECIFICATION:

Please note that proposed specifications are for guidance only and may vary from plot to plot. They do not constitute any contract or guaranteed level of specification. Final specifications for "as built" purposes will be confirmed prior to exchange of legal contracts. Images shown and CGI's are representative and for illustration only. Our new homes team will discuss final fixtures and fittings with you.

Measurements:

All measurements have been taken using a laser

tape measure or taken from scaled drawings in the case of new build homes and therefore, may be subject to a small margin of error or as built.

New Viewing Protocols

Site viewings are strictly by prior appointment only. In light of Government guidance regarding Coronavirus - new restrictions are in place and must be adhered to should you wish to view this property. These include completing an online health declaration form, limiting viewings to two people and for 15 minutes maximum. Viewers should also wear their own gloves as a minimum and other PPE as required. Further guidance will be given by our team. Please be aware this is a working building site and you are recommended to wear suitable footwear and observe signage and our instructions at all times. Stay Safe.
