Parking

On street Parking, a permit is required from Liverpool Council.

Application Process

If you are interested in this property please call or email the office to clarify your situation in more detail, ie who the property is for, their employment status, any pets, are they smokers, do they have CCJ's or adverse credit history, and the reason for the move. As a general rule you need to have a combined annual income of £21,000 and if you have adverse credit history or have a lower income then a guarantor may be required. After being qualified we will then book you in to view the property. If the landlord is happy to take your application this will always be subject to satisfactory referencing, would require a week's holding deposit (which will be use as part payment of the security deposit) which is £161.00 to secure the property and begin the referencing process. Once the referencing is complete the landlord will be forwarded the reference report to confirm the tenancy. Once the tenancy is confirmed we require the balance of the deposit which is £539.00 This is then lodged with the Deposit Protection Service for the duration of the tenancy. You would need to ensure we have received your first months rent in cleared funds prior to your move in day.
