For Clarification we wish to inform prospective purchasers that we have prepared these sales particulars as a general guide. We have not carried out a survey, nor tested the services, appliances and specific fittings. Room sizes are approximate and rounded: they are taken between internal wall surfaces and therefore include cupboards/shelves, etc. Accordingly, they should not be relied upon for carpets and furnishings. Formal notice is given that all fixtures and fittings, carpeting, curtains/blinds and kitchen equipment, whether fitted or not, are deemed to be removable by the vendor unless specifically itemised within these sales particulars.
