WOW!

If you are looking for a large family home with plenty of parking, outbuilding/storage and spacious rooms then you really must take a look at our 360 Virtual Viewing. After this we would be pleased to show you round in person.

This is definitely one of the best homes of this type we have seen for a while now. The extension provides a much bigger kitchen, rear lobby and bathroom and the third bedroom is now a very good size double. If someone wished to add a hallway in to separate the 2nd and 3rd bedroom this could be done quite simply without too much compromise on space.

There is everything here to make a good enjoyable family home with plenty of parking, spacious living rooms and a stunning kitchen for those who enjoy their cooking. Three double bedrooms and a large family bathroom. For those who need a garage or external storage there is a handy outbuilding store which could be used for many different things.

We think you will be as impressed with this home as us so take a look at our 360 Virtual Viewing and then we would be pleased to show you round in person.

The home is within walking distance to the town centre where you can hop on a bus to Bluewater, jump on a train taking advantage of the fast service to London or, even browse the shops as a wide range of stores that Gravesend has to offer.
