Old Flint Barn, 71 Barley Road, Andover, Guide Price £450,000

PROPERTY DESCRIPTION BY Mr Guy Sommerville

This unique three bedroom single storied barn conversion located in a courtyard within a modern development on the outskirts of Andover. The property is positioned in a generous plot with gardens to three sides which has been cleverly landscaped into different zones. The accommodation in brief comprises: entrance hall, vaulted ceiling reception room with social open plan living in mind and a log burning stove. three good sized bedrooms, en-suite shower room to the main bedroom and a further family bathroom. Externally you will find a large amount of off road parking enclosed by mature hedging and access via a five bar timber gate. There is the added benefit of a detached, clad single garage fitted for both power and light which could be extended subject to the relevant permissions.

Augusta Park has history woven into its fabric with old flint farm walls from East Anton's time as farmland forming part of a major regeneration programme to this already well-established and bustling Hampshire town. This is an area with its own rich history. Andover is the location of a major crossing point of two important Roman roads: the Portway from Winchester to Marlborough, and the Icknield Way, which runs past Augusta Park on its way between Salisbury and Silchester. The actual site of the crossroads is very close to the development, but excavations in 1970, while revealing many Roman remains, failed to find the exact location. Now the area is a growing and welcoming community with a community centre, sports pavilion and the Endeavour Primary School already open, together with planned shops and village 'local area'. You will feel you belong from the start in a home tailored to modern living set amongst acres of beautifully landscaped open spaces, parks and play areas. Not wanting to travel too far for groceries? Then the brand new Co-op opened in April 2018 is on the doorstep located in East Anton Farm Road, along with the recently opened pizza takeaway for those not wanting to cook. Please note that as with most modern housing developments, this property may have a minimal yearly "estate charge". Please ask for further information.
