development information & floor plans

An exciting opportunity to acquire a newly built property on the esteemed street of Isabel Lane, located in the heart of the conservation area of the village of Kibworth Beauchamp.

Built by the renowned builder John Littlejohn Designer Homes, Isabel Lane is a pleasantly spacious yet private cul de sac, boasting an existing wealth of beautiful properties.

John Littlejohn Designer Homes are well known for their individually designed homes, which have been constructed for generations in the south Leicestershire countryside. Isabel Lane is no exception to this, with each property having its own colourful identity and personality.

Each house is built to an exacting specification, in a traditional manner, by a select few skilled tradesmen. Every aspect of each house has been carefully considered, with the exceptionally high specification being carried through every house on the development, regardless of size or number of bedrooms.

Whether a 4 bed or a 2 bed, you have the luxury of a German made kitchen with quartz worktops, Porcelanosa tiles throughout, underfloor heating to the ground floor and bathrooms, Bosch series 6 appliances throughout, including integrated washer dryers, oak internal doors, a choice of Michael John carpets and full preparation for an outdoor home office. As standard.

Each property has 2 off street private parking spaces, laid to block paving, generously sized to accommodate large vehicles. Outdoor space is provided in the form of a low maintenance private courtyard garden, fully laid to patio and encompassed by either a brick wall or tasteful fence to match the character of the individual plot.

Make the most of this unique opportunity to acquire a luxury, low maintenance, brand new 2 bedroomed property, located in the heart of the village. As homes like these do not come to market frequently.
