

Cavendish Road, London, W4 3UH

An impressive five bedroomed flat occupying the ground floor of this beautiful period detached house situated within a short walking distance of the River Thames with its very popular pubs, restaurants and eating houses and delightful riverside walks along the original towpath. The accommodation provides: a larger than average master bedroom with ensuite, three further large bedrooms and an additional space presently utilized as a formal dining room which flows neatly off the kitchen. Family bathroom, formal reception room and additional reception which leads out to a private garden. Lovely fitted kitchen and gas fired central heating. Local transport links include both Kew Bridge & Chiswick mainline stations (20 minutes to Waterloo) numerous local bus routes with convenient vehicular access via A4/M4 to Central London, Heathrow & The West. Professional sharers considered. The property is available immediately and is offered furnished.
