Shared Ownership - How Does It Work?

Applicants will have to apply to Help To Buy Midlands for affordability and approval of eligibility for the shared ownership scheme. Shares can be purchased from 25% to 75% initially (this is based on 5% increments, dependent on affordability and approval of eligibility for the Shared Ownership Scheme by Help to Buy Midlands). You will be asked to buy at your maximum % level, which will be determined by your affordability. Therefore, whilst a 25% share is available, if you can afford more, you would be asked to buy more. Our figures are based on the Full Market Value of the Property being £195,000. A rent will be chargeable on the share not owned as below:

- 25% = £48,750: Rent @ £335.16 monthly - Service Charge £ 25.24 pcm
- 75% = £146,250: Rent @ £111.72 monthly - Service Charge £ 25.24 pcm

Once you have lived in the property for 12 months you can purchase additional shares if you want to; this is called 'staircasing'. In most cases you can staircase up to 100% of the property and eventually own the property outright; making shared ownership a ladder of opportunity to owning your own home!

Qualifying Criteria

Any interested parties will need to have confirmation that they qualify for the scheme, by visiting <https://www.helptobuyagent2.org.uk/login>.
