

Everglade Close
Hartley DA3 7EZ
Offers Over £695,000

Are you looking for a family home you can stay in for a long period of time as the children grow and there is enough space and versatility for you? If so then look no further than this detached 4 bedroom home set in the corner of a Close on a good size plot. Due to the positioning the property benefits from having a large drive and double garage which some of it's contemporaries do not. The rear garden is also a good size and is private due to the mature borders.

Internally the 4 reception areas offer flexibility and plenty of room for the whole family. As you can see from the floorplan, the bedrooms are also a good size, with the master having an ensuite.

Well loved by the current owners and proudly owned for a number of decades, this property would make the perfect blank canvas for anyone wanting a large property to make their own mark on for many years to come.

Longfield offers a variety of local shops and is served by a train station. Excellent for commuting as the M2 motorway is a short drive away offering links into London and the M25. Bluewater Shopping Centre is a short drive and easily accessible , all making this a convenient and desirable place to live.
