A beautiful exposed brick, three double bedroom Victorian home

This wonderful property retains its authenticity with many original features, high ceilings and period fireplaces throughout.

The ground floor comprises a spacious receiving hallway, a front reception room with coving, reclaimed fireplace, a rear dining room with original floorboards and bespoke wooden sash windows throughout, a modern kitchen, still very much in keeping with the period of the property, but benefitting from integrated appliances.

The first floor offers a large four piece bathroom suite, and two double bedrooms both with a fireplace and original windows. The loft has been converted to provide a dual aspect bedroom with an en-suite shower room.

The original Victorian bannister still runs up the stairs.

This beautiful family home has a South West facing garden with rear pedestrian access.

Situated on Newton Road this house is ideally located for the amenities on St Johns Road, the open space at St Johns Gardens, Isleworth train station and some of the areas best schools. St Margarets, Twickenham and the riverside are all also nearby.
