Our Vendor loves...

Our Vendor Loves.....
I've lived in this house for 16 years and people have always remarked on the warm and cosy vibe it emits. I love it as its a naturally elegant house with lots of original Victorian features and plenty of light. All the rooms are generously sized, especially the bathroom with its calm ambiance. I will be sad to leave the house as during lockdown the community spirit of the street has become even more evident and we have made great use of the numerous green spaces on our doorstep especially the vast country park."
