We have pleasure in offering to the market these stunning well thought out new homes, tucked away in a private gated development setting, all within this highly regarded and much sought after hamlet.

These properties have been designed with a great deal of thought and attention to detail combining both traditional aesthetics with attractive facades behind which will lie an excellent level of versatile accommodation, finished to a high standard with contemporary fixtures and fittings.

There are three separate designs which are likely to appeal to varied audiences, ranging between 1600 and 1800 sq ft and split between 3 and 4 bedroom designs including ground floor bedrooms with adjacent shower facilities, allowing these properties to be utilised both as two storey homes suitable for families, but also in later life offer the opportunity for single storey living making it ideal for those downsizing from larger dwellings.

The properties occupy pleasant plots tucked away at the end of a no through lane but all within walking distance of the adjacent village of Bottesford with its wealth of amenities and services.

The properties are due for completion in the first half of 2021 with works commencing in January of this year and early viewing comes highly recommended to appreciate particularly the location as well as the proposed accommodation on offer.
