THE COLLEYS

## BEAUTIFULLY DESIGNED HOMES

Countryside invites you to The Colleys, an exciting development of beautifully designed homes in a superb location. Here you'll find a collection of 195 new homes with the choice of 3 or 4 bedrooms, all built with the latest specifications and features.

Set against stunning open countryside and only a stone's throw from Grantham, The Colleys boasts excellent travel links, education options and employment opportunities.

All Countryside homes are built to the highest quality and feature our outstanding specification as standard, so whether you are taking your first steps onto the property ladder or looking to make your next move, The Colleys is the perfect place to put down roots.

## I'M INCLUDED...

As soon as you're inside a Countryside home you'll begin to realise the quality and design of the features which are included.

You'll find everything has been carefully considered to work for you and your lifestyle. For full information on all that comes as standard please refer to the 'What's Included In Your New Home?' insert.

## LOCAL AREA...

Located just outside Grantham there is easy access to all the benefits you would associate with living near a major town. A short distance away the Grantham Canal winds its way past picturesque villages with rolling fields and great views – ideal for a gentle stroll or bike ride.

Roam and explore the 1,300 acres of woodland and tended gardens at the 300-year-old Belton House. This National Trust site is the perfect example of an English country house.

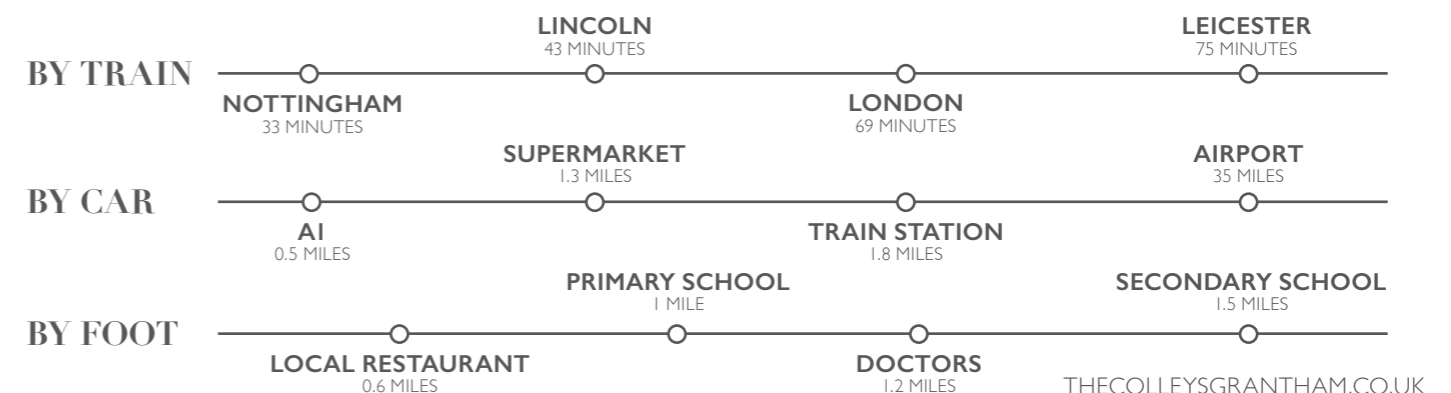

Grantham is well served by major supermarkets and the

central shopping area has the usual high street shops as well as a selection of independents.

Close by you'll find an excellent choice of secondary schools, ranging from Kings Grammar School where Isaac Newton was educated, to outstanding rated local primaries.

The A1 runs west of Grantham, connecting you easily to the national motorway network. Grantham railway station is under 2 miles from the development with access to central London in little more than an hour.

## TRANSPORT LINKS

## CLOSE TO THE CITIES

Grantham sits in the county of Lincolnshire, and with Lincoln only being a 35-minute drive away, it's the ideal destination for a range of experiences from independent boutique shopping, fantastic arts and culture, to a plethora of places to eat and drink.

Lincoln also benefits from beautiful countryside surroundings which can be explored through walks and cycle routes and make for a great family day out.

The nearby city of Nottingham isn't short on things to see and do either. Spend a night at the theatre or delve into the city's eclectic mix of museums, art galleries and entertainment facilities.

The Sales Consultant will complete a formal handover of your property on legal completion. Our Site Management team will also visit on several occasions to ensure you are settling in.

All of our homes are covered by a comprehensive 2-year Customer Service Warranty as standard, providing you with 24-hour emergency cover.

As registered home builders with NHBC Warranty we also follow the Consumer Code, which ensures you as a new homeowner are treated fairly and are fully informed about your purchase before and after signing your contract.

## HELP TO BUY

Buying a beautiful new property can be one of the most exciting things you can do. So you'll be thrilled to know that you don't need a huge deposit to make your dream come true.

The Government-backed Help to Buy scheme can work for you if you want to get onto the property ladder, get a bigger home, or just make your monthly repayments more affordable.

The current scheme is designed to help both first-time buyers and existing and previous homeowners by making mortgages more affordable when buying a new build home.

### How it works...

With Help to Buy you only need a deposit of 5%\* of the property's purchase price, because the Government will lend you a further 20%#. That means you'll have a 75% mortgage and 100% ownership of your beautiful new home.

On a property worth £200,000:

5% Deposit – £10,000

20% Government loan – £40,000

75% Mortgage – £150,000

### The benefits of Help to Buy...

- You only need a 5% deposit
- You can receive a Government backed 20% equity loan
- The equity loan is interest free for the first 5 years
- You will have 100% ownership of your home
- You can access competitive mortgage rates<sup>†</sup>
- You can have lower monthly repayments

\*5% deposit is applicable with the Government's Help to Buy scheme and is available to first-time buyers, as well as existing and previous homeowners.

#20% Government-backed Equity Loan and 75% Mortgage subject to status. <sup>†</sup>Terms and conditions apply.

## WHY BUY NEW?

Building a better future and caring for the environment, Countryside creates quality, eco-friendly and sustainable homes in the best locations.

Our outstanding range of new homes are designed for modern living, offering lower environmental impact, running costs and maintenance. These provide compelling reasons to choose a new home from Countryside. In recognition of this, we have received more than 100 awards for sustainability since 2000.

A new home from Countryside is on average 6.5 times more energy efficient than one built just 30 years ago.

Our developments contribute to a higher quality of life by protecting the environment, promoting social cohesion and strengthening the local economy.

We achieve this through building attractive residential areas with their own architectural character and identity, green open spaces and convenient transport links to essential local amenities such as schools and shops.

In addition, our new homes are well designed, comfortable, safe, adaptable and wherever possible they are constructed from materials that have a reduced impact on the environment.
